

Situation Analysis (S) – Social Media Focus

Current State:

- **Tiba Store maintains an active presence on Facebook and Instagram but lacks a unified brand identity and consistent posting rhythm.**
- **TikTok presence is minimal.**

SWOT (Social Media):

- **Strength: Diverse content opportunities across cosmetics, cleaning, and baby care products.**
- **Weakness: Low engagement rate and high potential CPE due to unoptimized creatives.**
- **Opportunity: Growing local demand for short, educational, and relatable video content.**
- **Threat: Competitors investing heavily in influencer marketing and paid social campaigns.**

Target Channel Behavior:

- **Mothers (Facebook/Instagram): Prefer trusted reviews, practical advice, and clear promotional offers.**
- **Young Adults (TikTok): Engage more with entertaining, trend-driven, and concise tutorials.**

Objectives (O) - Social Media

Specific

Our social media objectives are defined to directly support the overall campaign goals.

- Reach & Follower Growth: Achieve 10,000 new followers (combined) across Instagram and TikTok within 3 months.
- Engagement Rate (ER): Increase the average weekly ER across all platforms to >6% (a strong industry benchmark).
- Content Performance (TikTok/Reels): Ensure that 70% of short videos surpass 10,000 organic views each, driving awareness.
- Traffic Quality: Maintain a Click-Through Rate (CTR) on lead generation ads directed to WhatsApp of at least 1.5%.

Strategy (St) – Social Media Game Plan

The approach centers on tailoring content per platform while keeping the core brand identity: “Tiba Store – The One-Stop Family Shop.”

- **Content Pillars (3 Cs):**
 - **Cosmetics:** Inspirational tutorials, makeup routines, and “get the look” content.
 - **Cleaning:** Practical hacks, product demos, and before/after results.
 - **Baby Care:** Educational and trustworthy content such as expert tips and “mom hacks.”
- **Influencer Plan:**
 - **Partner monthly with 5–8 micro-influencers (5K–50K followers) whose audiences align with key customer segments to ensure authentic engagement.**
- **Platform Focus:**
 - **TikTok:** 80% entertainment / 20% product content using trends and challenges.
 - **Instagram:** Balance of visual storytelling and engagement via stories, polls, and paid ads targeting mothers.
 - **Facebook:** Prioritize conversions and community through offers, reviews, and WhatsApp links.
- **UGC Incentive:**
 - **Launch a monthly challenge encouraging customers to share product review videos with a branded hashtag for a chance to win a 300 EGP voucher.**
