

Tactics (T): Implementation Plan

We'll turn the strategy into clear, measurable actions across channels.

Content & Budget:

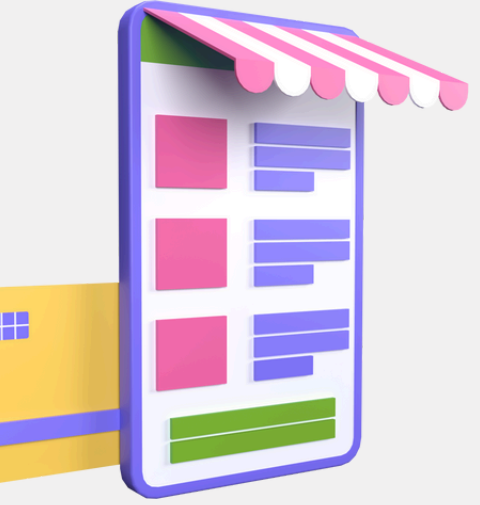

- Post 5 times weekly on Facebook/Instagram and 3 TikTok videos weekly.
- Allocate 15% of the campaign budget to high-quality content (photos, design, videos).

Paid Ads:

- Split budget: 60% for Conversion/Traffic, 40% for Awareness/Reach.
- Use 15–20% of the ad budget for retargeting visitors who didn't purchase within 30 days.

Sales Promotions:

- Launch weekly “Bundle Discount” offers (min. 20% off) to boost WhatsApp sales.

Action (A): Roles & Timeline

- 3-Month Execution Plan:
 - Phase 1 (Weeks 1–4): Launch campaign, run 3 A/B test ad sets, and start 2 micro-influencer partnerships.
 - Phase 2 (Weeks 5–8): Optimize ads to cut CPA by 10% and release 2 educational content pieces.
 - Phase 3 (Weeks 9–12): Increase WhatsApp conversion ad budget by 30% to maximize final sales.
- Team Roles:
 - Social Media Manager: Ensure 80% of customer inquiries are answered within 1 hour.
 - Data Analyst: Deliver weekly performance reports every Sunday for ongoing optimization.

Control (C): Monitoring & Performance Evaluation

Financial KPIs:

- • Maintain a ROAS of 4:1 (4 EGP revenue for every 1 EGP spent).
- • Keep Cost Per Acquisition (CPA) below the projected profit margin.

Reach & Engagement KPIs:

- • Reach 1.5 million unique users monthly through paid ads.
- • Achieve a video view rate above 30% within the first 3 seconds.

Measurement Process:

- • Use Facebook/Instagram Insights and Google Tag Manager to ensure 95% tracking accuracy.
- • Perform daily performance checks and weekly optimizations based on analytics.

Final Reporting:

- • Compare actual vs. target CPA and summarize achievement rates for all five campaign objectives.
