

Tactics Summary (Social Media Execution):

- Facebook & Instagram: Use a 3-post strategy (carousels, Reels, Q&A posts) and rotate 5 weekly ad creatives to optimize CPC and CTR.
- TikTok: Post 3 trending short videos weekly featuring products, using both broad and niche hashtags.
- WhatsApp Business: Send automated personalized bundle offers and post daily status updates for flash sales and testimonials.

Action Summary (Social Media Implementation):

Content Calendar: Plan posts a week ahead and monitor daily for
.trending topics

A/B Testing: Test audiences (mothers vs. young adults) and ad formats
.for two weeks to optimize spending (video vs. static)

Influencer Briefing: Equip micro-influencers with discount codes and a
.clear CTA linking to the store

Deployment: Post content directly on each platform and watermark
.TikTok videos with the Tiba Store logo

Control Summary (Social Media Measurement):

Weekly Monitoring: Track engagement and follower growth daily; adjust content if ER stays below 5% for three days

Monthly Reporting: Compare actual growth with the 10,000-follower goal and calculate cost per follower

Content Analysis: Review the top 10 posts monthly to identify successful elements to replicate in future content

Additional Digital Strategy Summary (SEO – Optional):

Keyword Research: Identify long-tail, low-competition keywords relevant to product categories

On-Page Optimization: Optimize product pages with keywords, meta descriptions, and image alt tags

Content Pillars: Publish 3–5 SEO-focused blog articles about product use and benefits to boost organic traffic

Email Marketing Strategy:

Segmentation: Divide email lists by category (Cosmetics, Cleaning, Baby Care) for personalized offers.

Welcome Series: Automate a 3-part welcome email introducing the brand's USP and offering a 10% first-purchase discount.

Abandoned Cart Recovery: Send a follow-up email 6 hours after cart abandonment with a reminder or small incentive to finalize the purchase.

:Media/Ads Strategy

Ad Platform Mix: Use Facebook/Instagram for direct conversion ads (WhatsApp CTA) and .Google Search Ads for purchase-intent keywords

Budget Dynamic Allocation: Automatically shift 10% of daily budget to the top-performing .campaign (highest ROAS) for optimal results

Creative Testing: Continuously run A/B tests on creatives and audience segments to .achieve the lowest Cost Per Conversion
